

New Training Course for parent befrienders

Starting on Thursday 3rd
September 2015 for 8 weeks:

3rd, 10th, 17th & 24th September
1st, 8th, 15th, 22nd October

9.30am – 2.30pm lunch included

NEW TRAINING COURSE - Would you like to find out more about training to become one of our parent befrienders? If you have a disabled child – or a child with additional needs – who is at least two years past diagnosis, then you already understand what other parents are going through.

FACE 2 FACE - Our Face 2 Face, parent-to-parent befriending service can make all the difference in helping a parent cope, especially in those early days following diagnosis. Nobody knows what it's like better than another parent who's been through something similar.

WHAT WILL I LEARN? - You already have the skills and understanding to be supportive. On our professionally run, CPD accredited, eight-week course you will learn more about active listening, boundaries and safeguarding issues. And once you're a befriender, there is plenty of ongoing support and training.

VENUE: Ray Lodge Childrens Centre, 91 Ray Lodge Road, Woodford IG8 7PG

BOOKING IS ESSENTIAL.
