17 April 2020

Dear Parents/Carers,

RE School closure

I would again like to take this opportunity to thank you for your co-operation over this difficult time for everyone.

Unfortunately, I have had to make the decision, after the government's announcement last night to continue the shutdown for a further three weeks, to continue with the school closure. We will be assessing the situation on a weekly basis but at this point my priority is, as always with the safety of our community and I do not want to put any of our young people and staff under any unnecessary risk.

I appreciate the impact of these measures is considerable on our community and as parents/carers you will be having difficult conversations with your young people, who just don't understand why they can't come to school or visit friends and family.

We will continue to provide access to remote learning via our website and class teachers will be in contact via their school email to help you in anyway.

Please continue to check the school website for further updates and I end by wishing you and your families continued good health in this delicate and dangerous stage of the pandemic.

Yours sincerely

Wendy Killilea

Head of School and College
