Dear Parents/Carers,

We have reached the end of what has been for some, a very difficult year, both in terms of the imposed lockdown and continuing difficulties for our families. Your support for our school has been much appreciated in these unprecedented times.

Unfortunately, we have had to forego the activities which would normally have taken place at the end of term, we particularly missed our Summer Fete and Sports day.

St John's were also sadly unable to say a proper goodbye to the young people who will be leaving us this year. But we wish them every success and happiness in the next stage of their lives.

This term we are also saying a fond farewell and happy retirement to Stefan Karwacinski and Angie Smith who between them have worked at St Johns for over 45 years. Catherine Bismire and Clare Siggins who are also leaving to go onto a new chapter in their lives.

I would be grateful if you are travelling abroad this summer you observe Government guidelines when returning and your child coming back to school. You will be kept advised via email and the school website of any updates prior to September, all being well we will see you on the 3rd September 2020.

Finally I hope you have a pleasant summer and stay safe and well.

Yours sincerely,

Mrs. Wendy Killilea
